EXPERIENCE

Present	R&D & Project Engineer	
2025 Jul.	IBERACUSTICA · Spain 📍	
	Prototyping and integrating ANC in the existing line of passive silencers, cabins, etc.	
2024 Dec.	R&D Engineer	
2023 Sep.	OROSOUND · France 📍	
	Developing novel algorithms, utilizing AI, and high-efficiency DSP for wearable form factors.	
2023 Jul.	Acoustic Eng. Intern	
2023 Feb.	OROSOUND · France 📍	
	Researched and implemented new automated ANC algorithms.	
2022 Jul.-Sep.	Acoustic Eng. Intern	
	DYNAUDIO · Denmark 📍	
	Summer internship. Worked on ANC in cars at Dynaudio A/S, doing measurements and python implementations.	
2021 Jan.-Jul.	Robotics Teacher	
	PART-TIME · Greece 📍	
	Building and programming robots with children of ages 8-11 with the LEGO Mindstorms robotics kits.	

☆☆ PROFILE ☆☆

Passionate physics graduate with a curious mind and a talent for problem-solving. Since my masters (IMDEA) I have specialised in the development and prototyping adaptive Active Noise Control (AANC). Dedicated to creating magic experiences through sound, reducing noise and contributing to a more sustainable future.

SOFTWARE & SCIENTIFIC INTERESTS

★★★★★	Python	• 3D Audio (WFS, HOA, ...)
☆☆☆☆★	C/C++	• Sound Perception
★★★★★	Sigma Studio	• Human cognition
☆☆☆☆★	COMSOL	• Digital Signal Processing
☆☆☆☆★	Matlab	• Design of electroacoustics transducers
☆☆☆☆★	SolidWorks	

ACHIEVEMENTS

2023 Jan.	Sound Efficiency Enhanced with Psychoacoustics M2 IMDEA PROJECT · France 📍 3-month POC: Pikip Solar Speakers with implemented algorithms and listening tests.	
2022 Jun.	Static ANC Demonstrator M1 IMDEA PROJECT · France 📍 Showcasing the basic principle of ANC. The report can be found here .	
2021	Processing of music audio signals for the time alignment of lyrics using the Kaldi toolkit BACHELOR THESIS · Greece 📍 The code developed during the thesis, with instructions to reproduce the results, is found in my Gitlab Repo .	

EDUCATION

2023 Aug.	IMDEA LE MANS, FRANCE · Le Mans University 🏛️  Specialized education in electroacoustics, mechanics, transducers, signal processing.	
2021	Bachelor in Physics ATHENS, GREECE · NKUA 🏛️  Grade: 6.84/10. Specialized in Electronics, Computers, Telecommunications and Automatism.	
2019	Music Theory Degree ATHENS, GREECE ·  ELLINOGERMANIKI AGOGI Conservatory of Ellinogermaniki Agogi 🏛️ Degree on Harmony in the style of Baroque and Classical composers.
